About us

Asian American Business Women Association recognizes, as well as highlight women in every area of expertise, at all different levels business industries. In our network you will have access to meet business and professional women in the areas of small to medium sized business, corporate executives, healthcare professionals, financial consultants, education, and the non-profit sector just to name a few. Asian American Business Women Association is one of the most exciting organizations for business women to meet others to exchange ideas and build business leads.

Mission Statement

Asian American Business Women Association provides opportunities, resources, training and marketing services to empower women in the business environment and professional growth.

AABWA values and supports women who demonstrate integrity and courage to impact and create positive changes in their communities. Our organization also participates in charitable activities to help others in need.
